Jackie and Sara,

Attached is the O&G pager. We have not yet heard back from OECA on the "Enforcement Approach" section, and considering your deadline, I'm sending this to you now and will follow up with any additional inputs from OECA when we receive that.

Please let us know if you have any questions.

Best,  
Marguerite

Marguerite,

Can your folks take a quick look at the attached and let me know if there are additional updates? Requested by Monday. Let me know if folks are not around. I am out on Monday, so please respond to both Jackie and I.

Thanks,  
Sara
